### **MEDIA STATEMENT**

## **ACCUSATIONS AGAINST MTSL ARE BASELESS AND DEFAMATORY**

As a director of MELANESIAN TRUSTEE SERVICES, trustee of the PACIFIC BALANCED FUND and unit holder in the Fund, I wish to advise, on behalf of my fellow directors, that accusations and actions taken against MTSL and staff of MTSL are baseless.

The Board of Melanesian Trustee Services Limited has noted the defamatory nature of statements made about the company and members of its management.

We know the accusations to be maliciously untruthful and we will continue to act in the interests of our unit holders as we commence civil and criminal action against those involved in this malicious attempt to defame the company and individuals working with it.
